Third International Conference on Nanosciences and Nanotechnology (ICNN 2025)
November 24-26, 2025, Nouakchott- Mauritania

Tuesday, November 25	
08h00 - 09h00	Registration
09h00 - 10h50	Session 3 Session chair: Prof Youssef Habibi
	Plenary lecture 4 Manufacturing of nanoparticle-based systems for advanced technological applications Prof. Lassaad EL MIR <i>Gabes University, Tunisia.</i>
	Plenary lecture 5 From Carbon Chemistry to Graphene-Based Innovation: A Journey from Lab to Industry Dr Housseinou BA BLACKLEAF SAS, France
11h00 - 11h30	Coffee break
11h30 - 13h00	Session 4 Valorisation Innovante des Ressources Minières Mauritanienues par les Nanosciences Session chair: Prof Brahime Elemine
	Dr. Ousseynou MBODJ, Deputy process plant manager TAZIAZT Mauritanie
	Elghadhi CHEIKH AHMED KORY, Chimiste Senior – Laboratoire d’Analyses, Mauritanian Copper Mines (MCM), Akjoujt, Mauritanie
	Zeine Abderrahmane Samba Vall, Directeur adjoint des mines et de la géologie, Mauritanie
13h30 - 15h00	Lunch
15h00 - 17h00	Poster session
